

A GUIDE TO
**Self-Directed
Brokerage
Account**

What is a self-directed brokerage account?

A self-directed brokerage account allows you to select from thousands of publicly traded mutual funds and Exchange Traded Funds (ETFs) in addition to the Minnesota Deferred Compensation (MNDCP) core investment options. A Schwab Personal Choice Retirement Account® (PCRA) is offered within the MNDCP through Charles Schwab & Co., Inc. ("Schwab"). Mutual funds available through PCRA are not offered through the Plan Sponsor. You will not be able to invest in individual securities, such as stocks, bonds, or options.

There is an additional annual administrative fee of \$30 (\$2.50 monthly) for the use of a Schwab Personal Choice Retirement Account® (PCRA). Additional fees may apply depending on trading activity.

Is a brokerage account right for me?

A brokerage account is for knowledgeable investors who understand the risks and costs associated with investing.

By utilizing PCRA, you acknowledge that none of the available fund offerings have been reviewed for suitability by your employer, Plan Sponsor or Schwab.

You are solely responsible for determining the suitability of the funds in which you invest. You agree to fully indemnify and hold harmless your employer, Plan Sponsor, Schwab, and any/all service providers to the Plan against any claims, damages, or other causes of actions which may arise as a result of any negative consequence resulting from using the Schwab PCRA.

Investors should consider carefully information contained in the prospectus, including investment objectives, risks, trading policies, charges, and expenses. You can request a prospectus by calling Schwab's dedicated PCRA Call Center at 1.888.393.PCRA (7272). You may also request a prospectus online at www.schwab.com/prospectus. Please read the prospectus carefully before investing.

How do I open a PCRA?

You must already be enrolled in the MNDCP prior to opening a PCRA.

To Open a PCRA

1. Login to your MNDCP account online at www.mnretire.gov
2. Select **Go to Savings Plans** in the upper right
3. Choose **Account activity that occurred July 1, 2025 or after**
4. Under *Investments and Research*, select **Self-Directed Brokerage Account**
5. Click the **Open an account** link to enroll in a pre-tax or Roth after-tax brokerage account.

If you wish to open a pre-tax AND Roth brokerage account, you must enroll separately in each. This will allow you to track your Roth investments and earnings separately from your pre-tax brokerage account.

Once you enroll, you will receive your PCRA number and be asked to create your own Personal Identification Number (PIN).

Immediately following this step, you will be able to initiate your first transfer into your PCRA. Schwab will send you a Welcome Kit.

How do I fund my PCRA?

Your per pay period contribution can be deposited directly to your PCRA or you can transfer a specific dollar amount from your MNDCP core investment option(s) into your PCRA.

You must maintain a minimum balance of \$100 in an MNDP core investment option.

| To deposit contributions directly to your PCRA | To transfer a specific dollar amount from your core account balance |
|---|---|
| <ol style="list-style-type: none"> 1. Login to your MNDCP account online at www.mnretire.gov 2. Select Go to Savings Plans in the upper right 3. Note: If this option does appear, please check the "Source Name" to ensure it matches the funds you have in the Schwab PCRA 12. Once completed, select Finish and Review All Transfers 13. Select Submit |

Frequently asked questions

How do I transfer money back to my MNDCP core investment options?

Contact Schwab or login to your PCRA online to liquidate your mutual fund holdings. Once the liquidation is complete, the proceeds are allocated into the cash sweep feature in your PCRA. You may then transfer the proceeds back to your MNDCP core investment option(s). You can initiate the transfer by logging into your MNDCP account online or by contacting an MSRS Service Center Representative.

How can I manage and/or make changes to my PCRA?

Contact Schwab or login to your PCRA online to inquire about your balance or to change your investment options.

How do I request a withdrawal?

You are eligible to request a withdrawal 30 days after the date you separate from Minnesota public employment. Once eligible, login to your account online to request a withdrawal or contact MSRS to request a **Distribution Direct Rollover** form. You cannot take a withdrawal directly from your PCRA. You must first transfer money from your PCRA to an MNDCP core investment option(s). If your requested withdrawal amount is greater than your core account balance, you will receive less than the amount requested.

Will I receive statements?

Both MSRS and Schwab send quarterly statements. Schwab will also send you a monthly statement if you have account activity in any given month.

Note: The account balance on your MSRS and Schwab statements may be slightly different due to different period-ending dates (for example, one may be as of the last day of the quarter, while the other may be as of the last business day).
